

Start / Back

Cast on 36 sts loosely. Knit in lace pattern to approx. 23 cm [9 in] under the armpits. The back measures approx. 60 cm [23 in] in length and 23 cm in height.

Front

Pick up 12 sts at the top cast-on edge and cast on another 12 sts with the loop cast-on, these form the neckline. Pick up another 12 sts for the left shoulder (when wearing) at the cast-on edge so that the front piece also consists of 36 sts.

Knit the front as long as the back in the pattern. Join the front and back in a right-hand row by casting on 2 stitches under each armpit.
Knit another round and then bind off all stitches.

Sleeves

Pick up stitches for the sleeves at the two armholes created. Knit 15 rounds in the sleeve lace/hole pattern.

Increases are now made in rounds 16 - 20 to form the ruffles.

Round 16: Knit all stitches including yarn overs from round 15 as knit stitches (increases).

Round 17: Knit each stitch with a yarn over.

Round 18: Work all stitches including yarn overs from round 17 as knit stitches (increases).

Round 19: Knit each stitch with a yarn over.

Round 20: Knit all stitches including yarn overs from round 19 as knit stitches (increases).

All increases have now been knitted.

Knit a further 8 rounds in pattern without increases and then bind off all stitches.

Finishing

Sew all the threads and your **#mohairrufflesleeve** is ready!

We would love to see your creation on Instagram! Tag us **@lesfillesducoeur** :)
